# WANT TO GROW YOUR BUSINESS?

Gibela is helping both new and established businesses in the South African rail sector to:

## CREATE JOBS

*Using the expertise of Alstom, our major shareholder and a global leader in rail engineering, we are developing a strong, sustainable, South African supplier base to contribute to the rebirth of South Africa's rail sector.*

### OUR PLAN INCLUDES:

- the purchase of raw materials and components from South African suppliers to ensure maximum local content in our trains; and
- building the capacity of South African railway businesses to be globally competitive.

By joining Gibela's business growth programme, run by Raizcorp, you will be able to attend entrepreneurial learning sessions, have access to specialists, be assigned a team of business Guides (coaches) and get product-specific technical training if needed, all of which will help you to develop and grow your business.

### GIBELA IS LOOKING FOR BUSINESSES THAT PROVIDE ANY OF THE FOLLOWING SERVICES:

sheet metalwork (cutting and bending)

welded sheet metalwork

machining

cutting (insulation and air filters)

adhesive application

### TO BE CONSIDERED FOR THE PROGRAMME YOU MUST:

- be older than 18
- be a South African citizen
- have access to transport
- have a cell phone, computer and email address
- have a business that is 51% or more black-owned and be involved in the business full-time
- have a business that has been running for a minimum of six months
- have a minimum monthly turnover of R10 000
